GETTING INVOLVED

How do I get involved?

When you want to participate

1. Coming along to a church service is a great way to start. We have a time of worship, a sermon and prayer. The children stay in for the first part of the service and then go to Sunday school or youth study. Morning tea happens after each service. Being around at this helps you meet others and gives you a chance to look at the notice boards for other ways to get involved.
2. Picking up a welcome pack will give you information that will help you decide whether St Paul's is the place you would like to come. We look forward to your involvement in the life of our church community, if that is what you choose.
3. For further information check out our website:
www.stpaulsginniderra.org.au

4. A great way of connecting further is to attend one of the following:

- The Coffee Corner is open to anyone every Friday and Saturday. A café lunch and/or coffee and cake is provided on a donation basis. It is a great time to meet church members and connect, if you want to.
 - Various social events and activities occur regularly and are a good way of connecting with people of like mind and interest. You can pick up a church event calendar at church that list these.
 - An Alpha course and other courses are run periodically, for those wanting an introduction to the Christian faith.
5. If you decide to make St Paul's your home church, we would strongly encourage you to join a small group, where you can get to know people on a deeper level. This is where community is built, through sharing our life journeys together. More information about small groups can be found on the information table at church, or by phoning Doug on 6258 1722.
